Rain fell last night for the first time since October 2, a period of nearly four weeks. This long period of dry weather on top of an exceedingly dry summer had rendered the land in very great need of watering. The amount of water that fell last night was far from enough to satisfy. In fact, it will take days of rain to fill the springs and replenish the streams ready for the long pull through the frozen months.

The pictures at the Bijou theatre to-day are good, very good. The "Life of Abraham Lincoln" is perhaps the best one of the three, but the others are almost equal. This Lincoln picture was seen last night by many students now in school, and while they were much entertained, they were learning something of value, too. Mr. Hayward has a song that he admirably adapted for, entitled, "I Will Try." It is one of the finest songs heard in Barre since last summer, and it is sung well. The Daylight Store

COMBINING QUALITY WITH LOW PRICES.

You have doubtless been impressed when reading our advertisements with the fact that our prices are at all times unusually low. Today we want to add to your impression another—quality. You know price is not all there is in buying. It's the real value you get for your money that counts. Every article offered for sale here is a good, reliable article, worth a hundred cent for every dollar of its price.

New Waistings

Every one of these new Waistings is under the market price, as you will see on examination.

New Linen Waistings, the things used just now in large cities. These come in natural white, shades of blue and green and while they sell in large cities at 50c, they are here priced at 39c per yard.

New designs in White Mercerized Madras here at 25c per yard.

Mercerized White Poplin, a cloth for tailored waists, to be worn with laundered cuffs and collar, price 25c per yard.

Mercerized Chiffon is the new cloth for soft waists to take the place of light weight silks, price 25c per yard.

New White Waists

Very close prices on new White Waists that were just bought at a price.

Mercerized White Poplin Waists with laundered collars now at \$1.19 each.

White Waists with colored satin stripes, very new, now at \$1.50 each.

We are putting into this sale new White Batiste or Nurs Velling Waists that would be priced at a fair profit at \$2.50. Just now at \$1.98 each. (New, not old, waists.)

We are just putting onto our counters an assortment of all wool ladies' cloth Waists, or fine flannel Waists, at \$1.25 each.

There are special prices on Silk Waists in our garment department.

Sweaters

We have just now in stock nearly a full assortment of ladies', misses' and children's all wool Sweaters.

Sweater values such as we keep are hard for us to keep a stock of, for the reason that other cities want that same make and kind. They come direct from the machines to us and are of very best wool.

We are selling children's Coat Sweaters of the quality that we have just been talking about at 98c each.

Misses' Coat Sweaters at \$1.50, same yarns used.

Ladies' Coat Sweaters, the best grade at \$2.50. We have them now; to-morrow they may be gone. (Another wait.)

If we should tell you just how many Ladies' Suits we were selling you would think it a bit of shrewd advertising.

Each Radiumite Strop is sold under the positive guarantee that if it is not satisfactory money will be refunded. They are for the Ordinary or Safety Razor.

Radiumite Strops, 50c to \$2.50; Razors, \$1 to \$3 DANGER LURKS IN THE USE OF ANY STROP BUT A RADIUMITE! RADIUMITE STROP, RADIUMITE STROP, RADIUMITE STROP, close shave from the use of imperfectly stropped razors that cut, irritate and open the skin, thus admitting the terrible bacilli that lurk in the animal parts of shaving soaps, into shaving wounds, and in the air itself.

THE ONLY PERFECT STROP IS THE RADIUMITE Don't use the worthless, heavy, double, common cow strops so generally sold, and with which you desire out of ten will not do you. They are so much old junk, pure and simple. The real Radiumite needs for perfection is razor strop making. Buy a Radiumite strop and take no substitute—no matter how handsome it may appear. Danger lurks in the use of any strop but a Radiumite.
